

Athletes Commission Representation on Council

Article 39.1(e)

A submission from the Chairman of the ISAF Classes Committee

Proposal:

That Council adopts the following principle: “*the Athletes Commission is allocated a seat on the Council for a representative elected by the Athletes Commission*” and, if such principle is adopted, that the following amendment to the Constitution be included in the agenda of the General Assembly.

Article 39.1

- (e) a member appointed by the International Classes Committee **and a member appointed by the Athletes Commission.**

Current Position:

There is no provision as to the representation of the Athletes Commission on the Council.

Reason:

1. The Athletes Commission was formed in 2007 upon the recommendation of the IOC.
2. The IOC has direct representatives from its Athletes Commission on its Council.
3. ISAF Council will benefit from a direct dialogue with current Athletes in many issues discussed.
