

2016 Olympic Sailing Competition - Events

Regulation 16.1.5

A submission from the Fédération Française de Voile

Proposal:

To add a new Regulation to be applied for 2016 Olympic Games

16.1.5 (a) (vi) must make sure that the five main disciplines in sailing will be Represented at the Olympic Games. The five disciplines are:

- **Windsurfing**
- **Dinghy single-handed**
- **Dinghy double-handed**
- **Keelboat**
- **Multihull**

Current Position:

Decision made for 2012 Olympic Games:

Men

Windsurfer

One person dinghy

One person dinghy – heavy

Two person dinghy

Two person dinghy high performance

Keelboat

Women

Windsurfer

One person dinghy

Two person dinghy

Keelboat Match Racing

Reason:

The unexpected effect of the decision made in November 2007 is that Multihull discipline disappears from the sailing events of the 2012 Olympic Regatta.

The five disciplines constituting sport sailing activity should be represented at the Olympic Games.
