

## **Selection of equipment for the Men and Women One Person Dinghy**

### **Phase 2 shortlisted bids**

World Sailing received 8 bids for the selection of equipment for the Men and Women One Person Dinghy, none of which were deemed invalid.

The Re-Evaluation Working Party reviewed the bids and concluded that the following should be shortlisted to Phase 2:

- Laser Standard and Laser Radial sailboat, presented by ILCA – Current equipment.
- D-Zero, presented by Devotti Sailing s.r.o.
- Melges 14, presented by Melges Boat Works Inc., NELO and Mackay Boats Ltd.
- RS Aero, presented by RS Sailing.

World Sailing Board of Directors subsequently approved the Working Party recommendation, therefore the above mentioned are the shortlisted bids into Phase 2.
